## DESCRIPTION

The desolate post-apocalyptic world of Nier: Automata meets the magic of Studio Ghibli. In Solus, an immersive new action-adventure, you will explore vast war-torn lands, defeat hostile robots, and uncover buried secrets of the past. Solus is the thrilling new sci-fi adventure game brought to you by Curly Cat Games. Take control of Ch1o, an unexpected hero in a world devastated by war, as he journeys to piece himself back together (literally) and find long-awaited answers. Solus features a vast ecosystem for you to explore, enemies that lurk around every corner, and a narrative experience that will take your breath away.
